PERSONAL SUMMARY

My background includes extensive experience as a lead middle school math educator who loves helping others. Looking to utilize my skills to contribute in a meaningful way, in an open-minded environment, that is community focused, where people collaborate when opportunities arise.

WORK EXPERIENCE

- Meet regularly with teachers to discuss & implement strategies to improve student achievement
- Model & recommend academic interventions to improve learning outcomes for all students
- Work together with parents and fellow teachers in supporting students
- Started GSA Club that has continued through the present
- Taught 6th Grade Math, 7th Grade Math, Pre-Algebra, Algebra 1, Geometry, Algebra 2, Math I
- Worked with various curriculums: *Desmos Math, OpenUp Math, All Things Algebra, Prentice Hall, Integrated Math I, Illustrative Math, LearnZillion*
- Very involved in the school community including coaching student sports and other school functions
- Math levels showed improvement during consecutive years at each place by identifying areas of focus and targeting for improvement, building support offerings for students, collaborating with students
